The Student Cooperative Association is a representative organization of the student body. It provides a means for students to communicate ideas and problems to the administration and for school officials to pass their desires to the student body. Programs sponsored by the S.C.A. consisted of school dances, presentations by guest speakers on subjects of current interest to students, and a special performance by the Navy Show Band.

Our heritage plays an important part in helping us become better citizens as we grow up in today's world.

Only one defeat kept the Braves from a perfect season. Under the able coaching of Mr. Coulthard and Mr. Ingram, the team was one the school was proud of. Hard practice and outstanding effort and desire by the players resulted in our first football team being the Junior J.V. Champions.

A game minus two seconds and one call. Zone (Hello—Good Bye) Press. Who stuffed who Bert? Enter—Mr. Clutch, Exit—Fourth quarter clock watchers. Kempsville Number 1. OH YEA!!

With one hundred and thirty prospects in the "Dusty Dungeon", the Braves went to work for their basketball season. As the dust cleared fifteen ballplayers emerged. They heard about such things as Clearing out, Draw Charge, High—Low, Point Zone, Stack Man, and Sunday. Saturdays, Thanksgiving, and Christmas were spent with pounding of the "round ball" and some of the guys talking about Pride, Reacting, and playing with the heart. Do You Want It? The players did and finished the season as Tournament Champions and just six points from a perfect season.

Co-Captain Brett Poyner, Coach Cochrane, Co-Captain Bobby Traino.
